

FEATURES

The CORA is a contemporary track light, featuring an adjustable arm for the ultimate precision control and a high-efficiency light source offering up to 105 LL/CW ensuring a professional look with high visual comfort. Compatible with a fixed output, Triac dimming or three-phase/DALI track systems.

- Efficacy up to 95 - 105 lm/W
- High-efficiency CRI90 light source
- Beam angle and colour temperature options
- 90° adjustable tilt, 355° rotational arm
- IP20

SPECIFICATION

Luminous Flux	665 - 3800 Lumens
Beam Angle	12° 25° 38°
Colour Temperature CCT	2700K 3000K 4000K
Power Consumption	7W 10W 15W 30W 40W
CRI	90
Efficacy	95 - 105 lm/W
Light Source	COB
MacAdam Ellipse	>3
Dimming	Fixed Output 1-10V Triac DALI
Operating Voltage	220 – 240V 50/60Hz
Output Voltage	DC36V
Lifetime	50,000hrs
Finish	White Black
Installation	Track Mounted
Diameter Dimensions	Ø 50 60 70 90 90 110 mm
Ingress Protection	IP20
Material	Aluminium
Weight	0.5 - 2.0Kg
Operating Temperature	-25°C ~45°C
Conformity	Thermal Management System No UV or IR Emissions
Warranty	5 Years

DIMENSIONS

	Fixed Output 1-10V	TRIAC DALI
7W 0.5kg		
10W 0.7kg		
15W 1.0kg		
30W 1.5kg		
40W 2.0kg
