- White and gold baffles on request
- Twin module available
- CRI80
- IP20

SPECIFICATION

Luminous Flux	355 - 400 Lumens
Colour Temperature CCT	2700K 3000K 4000K
Power Consumption	5.5W
CRI	80 90 on request
Efficacy	65 - 73 lm/W
Dimming	Fixed Output Mains Dim
Operating Voltage	220 – 240V
Operating Frequency	50-60Hz
Lifetime	40,000hrs
Finish	White Body Black Baffle
Installation	Surface or Wall
Dimensions	∅ 60 mm x 117 mm
Material	Aluminium housing
Ingress Protection	IP20
Operating Temperature	0°C ~25°C
Conformity	Thermal Management System No UV or IR Emissions, UKCA
Warranty	5 Years
