

FEATURES

EM-SIGN is a stylish and compact double-sided LED exit sign suitable for recessed applications. It features a plexiglass screen printed legend plate which offers an impressive 25m viewing distance. Available in either a switchable maintained/non-maintained or a DALI self-test version.

The legend exit sign panels are available in arrow up, arrow down and arrow left/right. When ordering please note that all legend panels are single sided, apart from the arrow left/right which is double sided.

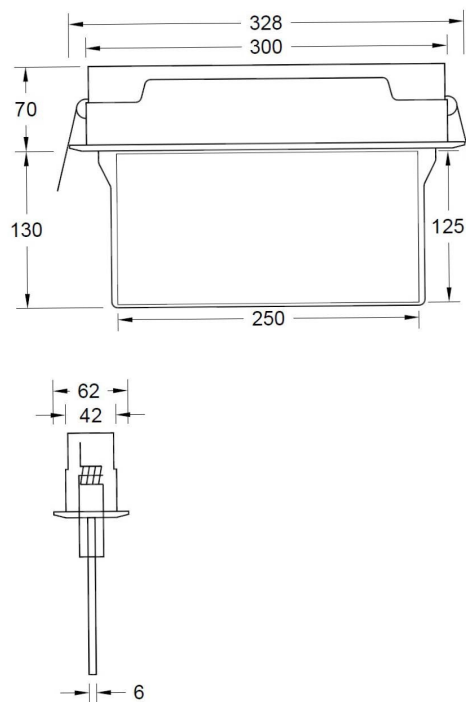

- White polycarbonate body
- Protective legend panel cover
- IP41
