

FEATURES

The CORA ZOOM is a contemporary track light, featuring an adjustable beam angle for precision control and a high-efficiency light source that offers up to 90 LM/CW ensuring a professional look with high visual comfort. Compatible with a fixed output, Triac dimming or three-phase/DALI track systems.

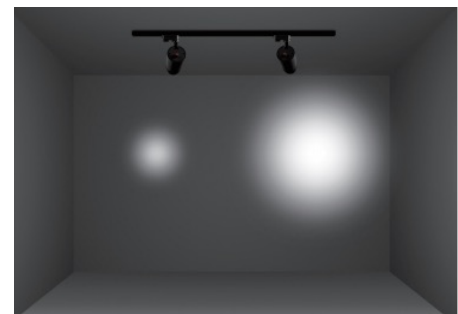

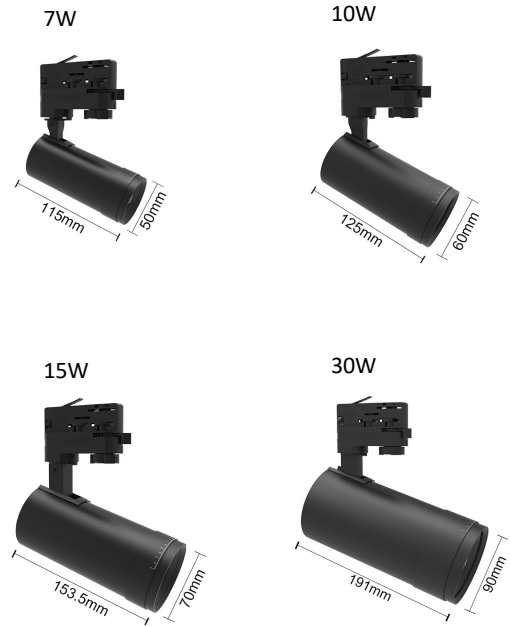

- Efficacy up to 85-90 lm/W
- High-efficiency CRI90 light source
- 10° - 60° adjustable beam angle and colour temperature options
- 90° adjustable tilt, 355° rotational arm

SPECIFICATION

Luminous Flux	Up to 2400 Lumens
Beam Angle	10° - 60°
Colour Temperature CCT	2700K 3000K 4000K 5000K 6000K
Power Consumption	7W 10W 15W 30W
CRI	90
Efficacy	85-90 lm/W
Light Source	COB
MacAdam Ellipse	>3
Dimming	Fixed Output 1-10V Triac DALI
Operating Voltage	220 – 240V 50/60Hz
Output Voltage	DC36V
Lifetime	50,000hrs
Finish	White Black
Installation	Track Mounted
Diameter Dimensions	∅ 50 60 70 90 mm
Ingress Protection	IP20
Material	Aluminium
Weight	0.5 - 1.7Kg
Operating Temperature	-25°C ~45°C
Accessories	Colour Filters Honeycomb Louvre Wall Washer Screen Anti Glare Screen
Conformity	No UV or IR Emissions, UKCA
Warranty	5 Years
