

## ROBIN – WALL LUMINAIRE

Designed as an ideal bedside or reading light, the ROBIN offers an innovative and user-friendly lighting solution. This elegant surface-mounted wall light is constructed from white-coated aluminium and features modern LED technology.

Equipped with a USB connection and a smartphone holder, the spotlight can be adjusted to provide precise and ideal illumination. The second wall light source is designed for general lighting. If needed, the two light sources within the luminaire, separated by the built-in switch, can be operated independently.
